

EXPANDED FDIC-INSURANCE FOR LARGE BALANCES

LOOKING FOR A SAFE AND SECURE PLACE TO DEPOSIT YOUR FUNDS?

Planters Bank is proud to offer the FICA[®] | For Banks. With FICA[®] | For Banks, large deposits are fully insured by the FDIC, giving you the confidence and security you need with the convenience and service of your bank.

WHY YOU SHOULD CONSIDER FICA[®] | FOR BANKS?

Previously, getting the safety of the FDIC insurance on your large balance account was a complex and time-consuming process that consisted of opening multiple accounts, with multiple banks.

FICA[®] | For Banks is a liquid, FDIC-insured deposit account for large cash balances. As a FICA[®] | For Banks account holder, your funds will be placed into a network of well-capitalized, FDIC-insured financial institutions in increments of less than \$250,000 so that both the principal and interest receive complete FDIC-protection.

As an account holder, you'll also enjoy the convenience of a single account at your bank and have peace of mind knowing your large deposits are *safe* and *earning a competitive rate* with *less time* spent by you.

1. The FICA[®] | For Banks is not a member of the Federal Deposit Insurance Corporation (FDIC), but the banks where your money is deposited are FDIC members. The maximum FDIC insurance per Tax ID at each institution is \$250,000. The FDIC is an independent agency of the U.S. government that protects the funds depositors place in FDIC insured institutions.

FDIC deposit insurance is backed by the full faith and credit of the U.S. government. FICA[®] | For Banks satisfies the FDIC's requirements for agency pass-through deposit insurance coverage.

2. Liquidity is available on a next business day basis and limited to 6 transactions per statement cycle. Same day purchase

credit and next day liquidity redemptions are subject to a 2:30 PM EST cut-off.
